

ColorStar[®] Message Mats

Logo • Carpeted (Wiper) Mats • Indoor

Many of our carpeted logo mats can be printed with standard messages regarding safety, quality, and for specific locations like coffee stations. Please consult with your M+A sales representative for additional details and options.

- Provides important messages while capturing dirt and moisture, helping reduce slip-and-fall accidents and maintain your floor
- Available as ColorStar Impressions, ColorStar Impressions HD, or other logo mats
- Available in a variety of sizes that vary by mat type and message

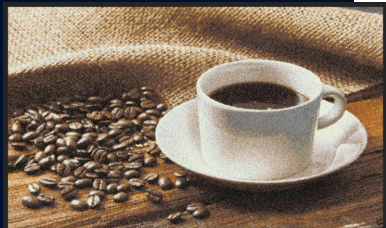

Recommended Uses

Recommended for indoor commercial use in areas where you would like to identify locations, welcome, remind, or give directions to visitors or employees.
