

WaterHog® Sculptures Mats

Logo • Scraper/Wiper Mats • Indoor/Outdoor

WaterHog Sculptures mats feature your custom logo permanently molded into a WaterHog mat.

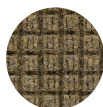

- **Clean & Dry** – Bi-level surface effectively scrapes dirt and moisture from shoes, trapping it beneath shoe level to prevent tracking; water dam border holds moisture keeping it off your floors (WaterHog mats can hold up to 1.5 gallons of water per square yard)
- **Durable & Fade Resistant** – Reinforced rubber nubs prevent pile from crushing and extend the performance life of the mat; solution-dyed fabric is fade-resistant
- **Eco-Friendly** – PET fabric is made from at least 90% recycled content reclaimed from plastic, and SBR rubber backing contains 20% recycled rubber from car tires
- **Safe** – Beveled edges provide a safe transition from floor to mat; certified high-traction by the National Floor Safety Institute (NFSI)
- Available in 12 fabric colors with choice of classic rubber border or fashion fabric border
- Features 78-mil SBR rubber (with 20% post-consumer recycled rubber) with choice of smooth or universal cleated backing
- Since custom molds must be created for this mat, minimum order quantities are required on the first order
